Discoverer's WINE CLUB

April 2023
6 Bottle Red Wine
Autumn Club Shipment

Welcome to the first shipment of the Discoverer's Wine Club for 2023!

We've curated your April Wine Club pack with the warm days & crisp nights of early autumn in mind. We hope you enjoy the selection of wines we've made for you.

We've added extra value to your wine pack to express our appreciation for your loyalty. This shipment includes a 15% discount on cellar door prices.

After a lengthy cool ripening season, Vintage 2023 has finally commenced here on Kangaroo Island. It's a delight to see fruit ripening on our Semillon & Malbec vines, which we had to cut to ground level after the fires. Our winery is also bustling with winemaking activity once again.

As a wine club member, you'll get first access to all of our Vintage 2023 wines as soon as they become available.

We've also welcomed a new team member, our vineyard pup Moose, who's already helping us in the vineyard.

Thank you, your loyal support of our small business means the world.

Have a safe & happy holiday break.
