After a lengthy cool ripening season, Vintage 2023 has finally commenced here on Kangaroo Island. It's a delight to see fruit ripening on our Semillon & Malbec vines, which we had to cut to ground level after the fires. Our winery is also bustling with winemaking activity once again.

As a wine club member, you'll get first access to all of our Vintage 2023 wines as soon as they become available.

We've also welcomed a new team member, our vineyard pup Moose, who's already helping us in the vineyard.

Thank you, your loyal support of our small business means the world.

Have a safe & happy holiday break.
